Huchuy Qosqo Trek Machu Picchu 3 days / 2 nights

The trek to Machu Picchu by Route **Huchuy Qosqo** is one of the shorter you have in Cusco as it travels an average of 17 kilometers on foot, this route was designed for those who do not have much time but still want to do a walking tour before reaching the great Inca city of Machu Picchu, ideal for people who like to be in touch with nature, away from the bustling city.

During the walk we will have the opportunity to see vestiges of Inca constructions, some Inca stairs and small door decorations Incas up to **Huchuy Qosqo**, former royal Inca palace. Huchuy Qosqo is a Quechua word that means *Small Cusco*, this is located on the mountains of the Sacred Valley of the Incas, from this point we can appreciate the stunning panoramic view of the Vilcanota mountain range with its towering snow-capped peaks.

Recommendations:

- ✓ Carry passport and / or ISIC (if a student) card.
- ✓ A backpack to carry your personal things.
- ✓ Personal sleeping bag.
- ✓ Suitable footwear for walking with broad support for his ankle.
- ✓ Light clothing for the walk. Hat, shorts, t-shirt or light shirts, insect repellent and sunscreen.
- ✓ Warm clothing for cold nights, long-sleeved shirts, sweaters, jacket, hat and gloves.
- ✓ Swimsuit (if you go to the hot springs).
- ✓ Grooming kit: small towel, toilet paper, etc.
- ✓ Raincoat and / or umbrella.
- ✓ Camera and / or camcorder.
- ✓ Flashlight.
- ✓ Extra batteries.
- ✓ Embase vacuum to provide water from the second day.
- ✓ Medicine and / or personal items. (few bandages, muscle ache lotion, pills for altitude sickness, fever, upset stomach).
- ✓ Book, notebook & pen.
- ✓ Extra money in small denominations.

Why choose MACHUPICCHU TERRA?

1. Personalized Attention

Each traveler or group of travelers are greeted on arrival at the airport or bus station by one of our representatives and then take him to his hotel and you can rest. During the transfer from the airport or bus station to the hotel, each passenger receives general information and practical recommendations about the city where you are, then you will get detailed information about the places you will visit during your stay in the city. At the end of the day, all passengers fill a report with feedback on our services, this will help us to improve every day. Nuestra empresa ofrece facilidades de viaje, flexibilidad y libertad que usted desee. Por eso se ha creado una variedad de viajes a los lugares que pueden ser combinados por un precio razonable.

2. Social Conscience and Sustentable Tourism

It is aimed at generating employment opportunities. Every time you make use of our services, a new job opportunity is created for poor people. We cooperate with communities providing food donations, social visits and health campaigns. At the same time, we offer trips of relaxation and culture, the company maintains respect for communities, customs, culture and environment providing education in care of the natural environment of the community and tourist places to be visited, and those who benefit with our visit as a fundamental principle. Our company supports the local people and help improve their quality of life in different activities.

3. Policy and Code of Conduct

Always we respect all agreements made between you and the agency. We work professionally in every detail, as we consider only the total satisfaction of our customers is our best endorsement and

the recommendation of our service is the result of a satisfied customer. When we provide our services, always we identify with our passengers.

4. Fair Prices

We are a tour operator, this means that we operate our tours directly and all the services we offer. For that reason, no increases in our rates, and consequently our prices are quite reasonable. Our rates are the result of an analysis of the costs and at the same time ensuring a fair return to our work.

5. Environmental Protection

In our company we help preserve the environment by providing ongoing training to our staff in the field of environmental protection this training will help us to develop professionally in the workplace, so they can offer you a quality service, we also educate people from distant places and places where our groups make their visits as well as assisting in the collection of inorganic waste in some communities to care for their natural environment, in the different visits or walks we try not damage the ecology, through the use of natural materials that do not pollute the place to visit, and the proper use of water without chemicals to maintain the natural purity thereof. All this has a purpose, that each customer whom we serve help us to promote our services, our culture and natural wealth. We develop close cooperation with Andean communities to explain on the protection of the environment.

One of the priorities of the company is the management of environment, therefore we are committed to comply with applicable law.
